KOLB, Ashley N.

Our beautiful vivacious Ashley Nicole Kolb who graced us with her presence on August 3rd 1990 departed us on December 7th 2021. Ashley was born to James Edward Kolb – dearly departed Feb 2020 (Marni) and Lori A Dyczewski (Leo Jr). She spent her early years with her beloved great grandmother Elva Phillips – dearly departed, her grandmothers Carol McDonald and Joyce Kolb. Ashley was blessed with many siblings that included; Brandon Kolb; Jamie Kolb; Josh, Jeremy and Jake Dyczewski, Donnise Tatano and Dennis Hunsberger; Stephanie and Anthony Klaeser along with all their spouses and the abundance of nieces and nephews. Special mentions to Holly Lehew (Greg), Tina Buchanan (Pat), Russell Kolb (Debbie), Joe Kolb; Jayne Anne Goehner (Jerry) and Robert Goehner (Roxanne). Ashley's life was spent in and around McKees Rocks having attended Sto-Rox High School and then working her entire adult life providing for herself and her loved ones. Having grown up in Pittsburgh Ashley was a fan of the Steelers and is considered a "Yinzer" but her love of life and celebrating that, made her stand out as the life of the party. Ashley was loved by many and those who knew her, knew her as someone who had a spunk for life. She was loud, proud and boisterous with a persona you could never silence, when she laughed, she laughed with her soul and for all to hear. Ashley never did anything in small measures, when she loved she loved with her all. You have been reunited with your dad and other loved ones and we're sure you're up there celebrating like there is no tomorrow. Your light will forever shine through the lives of those you touched Ashley, you have left us behind but it is through our faith that we look forward to being reunited once again. “ Hey sunshine ✨ it's your aunty Holly for today I was out in the backyard swimming and laying out and I have never felt so lost and so lonely for I looked around my yard and all I could see was you and your dad every where throughout my yard. There isn't a day that goes by that your not on my mind and forever gonna be in my heart 💜. For I miss seeing your beautiful face everyday. I miss that smile 😊 that would light up a room that laughter that would crack up everyone who was around you. But most of all I just miss you. I want you back. Why did you have to leave me? It was hard enough loosing your dad but now that you a gone I'm just heartbroken. I'll never have that bond with anyone ever again. I want you to take them beautiful wing's that God gave you and your dad and I want you to fly 🕊 high baby knowing you are forever loved and never gonna be forgotten.
