“ Rest In Peace my sweet girlfriend. We spent zillions if hours together when the girls were growing up. I remember the joy that Erica the German Shepherd brought to your family. She was the pick of our dog Candys litter and grew up to be a magnificent dog. I grieved with you over the loss of your wonderful daughter, Linda and struggled with Lindy's emotions because she and Linda had been such close friends. I see so much in Nina for you to be proud of both personally and academically. Please know that you have been a true success in life.
Much Love,
Linda Donato Johnson
