“ Kate (and Josh) were the first friends we met when we moved to LV. We'd bump into them walking their dog, and she always had so much information on the neighborhood and its history to share with us. We will miss her, and Josh we pray that you can find peace.

“ I worked with Kate at Milestone Centers for many years. She was a strong advocate and supported the arts which was (and still is) so beneficial for the people we serve. Sending prayers of comfort to her family.

“ I met Kathy when we were both working at Allegheny East (now Milestone), and I really appreciated her warmth, her investment in and caring for both her clients and her colleagues, and her wonderful sense of humor. It was truly delightful to meet her again, this time as Kate :), in an Osher exercise class after I retired. We enjoyed catching up with each other over lunches between our classes, and I was impressed by how committed to and passionate she was about her activities in Lawrenceville. I will miss her. Sending sympathy to her family and friends. .

“ When Kate and Josh moved to Lawrenceville, they became involved in the community immediately. Kate gave so much of her time and talents to our community. Seeing her smiling face made any community event that much better. Her passing was sudden and heartbreaking. She was loved and will be missed.

“ I grew up with Kathy Hoke-Bayer in Mt.Pleasant,Penna. She was an amazing person-
student and exhibited a whole lot of CLASS where very little was experienced. A truly
beautiful person has left us. Alan Kapelewski-New Jersey.
