“ Lisa, Heather and Karen,

My heart is hurting for all of you. My sincere condolences and sympathy. Your mom was a very special and giving lady. She always welcomed me with open arms. One of many memories is that to this day, I make my meatballs just like she taught me and everyone enjoys them. I always share that she taught me how to make them. My thoughts and prayers to all of you.

“ Lisa, Heather, Karen,

My heart is heavy for your loss, my deepest sympathy to you. Over the years, your Mom and I shared a lot of heart tender, heart felt and even heart heavy talks over her "Monday Special" Pepperoni Sauce and Meat Ball Sandwiches. Throughout those talks one common thread remained -

The love she had for her 3 girls and grandchildren!

There is a verse, referred too as " My Mother's Garden" as you read those words - remember the kind of garden your mother had, remember that you 3 are her legacy and that she would want you and needs you to remain the 3 beautiful, strong and "God Blessed" woman that you are today - or that she "grew" today -

My sympathy to everyone that she knew and loved.
