“ Sweet Paulette, Your wings were ready, but our hearts were not. You have always been loved deeply, and loved back as well. We are missing you, but know we will all meet again someday..

You were always selfless, kind, and caring. Augie , Dion, and Angela thrived in your love. Your grandchildren were blessed to have you in their lives, as well as your family. Rest in Peace, Love always, Christine Smith Schaeffer

“ Paulette was a kind, generous, and caring friend. From sharing Angela's toddler hand-me-downs and her wonderful pumpkin rolls, to exploring shops and restaurants on 'her' side of town, Paulette was always a fun person. And oh, that 'dirty' little snicker she could give you! Loved her, and the world's a lesser place without her. Godspeed, Paulette. Much sympathy to the Carrieri Family.

“ To the most giving sister-in-law. Paulette never missed a birthday or anniversary wish. Remembering the Sunday mornings the 4 of us spent together. Now 2 of you are in heaven. You will be very sadly missed. I hope you and Gino, and a whole lot more are watching over us from above. XOXOXO Beth

“ Aunt Paulette, you are dearly missed. You were my Godmother and Aunt, but more importantly, you were an outstanding wife to Uncle Augie, and loving Mother to Dion and Angela. You were such a big support when times were tough, and I know you and Gino are laughing today in heaven. I'm going to eat pizzelles all year thinking about you and the family! Rest easy Aunt Paulette. I love and miss you.

“ Our condolences to the Carrieri family.
Paulette was a wonderful true friend who was always there with a willing heart and helping hands. We could go months without talking and still pick up where we left off. To the family Paulette left behind, know that you were truly loved. Love is the answer and the solution to grief because love never dies. We will all miss my dear friend Paulette.

“ My heartfelt sympathy to the Careeri family. Paulette and I started at AT&T on the same day. Friends at first sight. Paulette was one of the most special people I've known.. Heaven is a more special place because she's there.
