

Aimee Hoover

February 10, 1973 - May 10, 2017

Aimee Sue Hoover, 44, of Pittsburgh, formerly of Dover, PA, tragically and unexpectedly passed away Wednesday, May 10, 2017, due to a medical incident while snorkeling. She was on vacation in Crescent Beach – Siesta Key, FL, with her husband, Steve Hoover, of Pittsburgh, PA. Aimee was doing one of her favorite things in the world at the time – snorkeling and swimming in the ocean – and repeatedly mentioned what a wonderful, perfect day she was having prior to the incident; there was no other place she would have rather been at the time.

The daughter of Darlene M. (Staub) Kann and the late Donald E. Kann, Aimee was born February 10, 1973. Aimee was raised in Dover, PA, where she and her husband met in high school, started dating in 1991, and fell madly, deeply in love. It was a love that grew stronger and more vibrant throughout her unfairly short life, and will continue on after her passing.

While Aimee left us way too soon, she lived an active, giving life overflowing with more love and fun than many do in a full lifetime. During their 26 years of marriage, she spent her time doing the things she most enjoyed and treasured. An avid outdoor enthusiast, she loved to hike, camp, kayak, swim, and birdwatch with her husband and friends. She was a supporter of the Arts and enjoyed taking advantage of downtown activities such as symphonies, musicals, operas, and concerts, museums and National Aviary, sporting events, etc. Over the years Aimee spent time involved in various community events aligned with social groups and causes with like-minded friends. She

was a career civil servant, helping those who often needed it most. When not out, Aimee read, crocheted gifts for friends and family, and played with her kitties and puppy. But, what was most important to her was simply being with her husband and loved ones, whether on one of their frequent vacations to the mountains or beach, or just enjoying their time together at home.

Aimee is survived by her husband; partner and close family friend, Loretta Longo, Cleveland, OH; 5 goofy cats and 1 big, loyal dog; her mother; and 3 siblings – Donald A. Kann, Homer, AK, Catherine Ingham, Columbia Falls, MT, and Melissa Kann, Dover, PA.

Aimee was a beacon of compassion, kindness, and love to all who knew her. The world will be a much lonelier, sadder, and dimmer place without her light to help fill it.

A Celebration of Life Memorial Service will be held at 11 AM, Sunday, May 21, 2017, at Penn Forest Natural Burial Park, 121 Colorado Street, Verona, PA, 15147. As services will be graveside in a forest area, casual clothes and sneakers/hiking shoes recommended; bright, spring-colored tops encouraged. Family and friends will be received after the service. “ *John and I just heard and are in shock. We have no words except we are sorry and saddened. Even though it has been way too long since we were all together, you all were often in our thoughts and considered dear friends. We unfortunately will not be able to attend this coming Sunday but know that our thoughts and love are with you. She was a fantastic person and wonderfully funny and positive. Her laughter was contagious, her smile infectious and all with a wicked sense of humor. Her light will be missed.*

“ *Aimee was an amazing woman and I remember fondly all the fun we had. Watching movies, playing games, hiking and cooking together. I will miss her terribly but will celebrate her life. She brought a whole new outlook of life to me that has changed my life and I thank her for that. I loved her laugh and did everything I could do to hear it. The sparkle in her eyes when she was up to mischief, her smile and love of life will be with me forever. Thank you Aimee for your love and friendship. My prayers are with her family.*

Aimee was a joy to work with, patient, kind, thorough, and understanding. She provided very high quality training to those that she was tasked with mentoring. She was always willing to get the extra mile. She will be sorely missed, both as a co-worker and as a friend.
