“ *Lost my sweet wife 4 years ago, then my mother, now have not seen my daughter in nearly 3 years. What kind of people would do that to me and even more, my child Addie. I was a loving father and have never been adjudicated mentally ill. What was done to me and Addie was wrong, the truth will come out. KF*

“ to the Joyce Family... I did not know Amy well, but, very much enjoyed my interactions with her as a seasoning supplier. She was so smart, polite, and helpful (all the time). When she came into a meeting, the room brightened up, as she always had a smile. We will miss her very much. Our thoughts and Prayers to all of you during this difficult time! Otis Hess (and all of her friends at MANE).

“ *To Amy's family-*

*Words can't express the sense of loss Shearer's felt when we received the news. We are devastated to lose one of our own, and are heartbroken for the pain you all are going through. I will miss my Friday morning 1:1s with Amy filled with countless laughs, some swearing, and updates about her sweet daughter. There's a huge missing puzzle piece in our team that can never be replaced. While Amy and I had some low lows, we also had some very high highs, and always came out stronger on the other side. It's not fair and it doesn't make sense, and we will miss her so incredibly much. Thinking of the entire family and sending you all peace through this tragic time.*

“ *Brendan and Amy’s loving family. I’m so very sorry for your devastating unexpected loss. My deepest condolences at this time. You are all in my prayers. I’m sure she wished that she could have been with all of you for such a lot longer but God had other plans. I know you will miss her forever. Blessing as you grieve*
