When tomorrow starts without me, please try to understand, that an Angel came and called my name, and took me by the hand; The Angel said my place was ready, In heaven far above, and that I'd have to leave behind all those I dearly love. But when I walked through Heaven's gates, I felt so much at home, for God looked down, smiled at me. And told me "Welcome Home." So when tomorrow starts without me, Don't think we're apart, for every time you think of me, I'm right there in your heart.

“ *Dave, Terrie and family,  
Andrea was certainly a special person. I got  
to spend time getting to know her through  
working together and then Becoming friends.  
Funny how life brings us together then finding  
out she was part of my family thru my niece . Andrea always had a  
smile and a hug for me.*
