“ *I think of you often, you will never be forgotten. I am still the procrastinator, and still never on time. And I never carry thru on my intentions. You know this Annamarie, so maybe you can help me out, give me a push. I want to send your girls photos, I wanted to talk to them. I am however happy that you called me and we got to talk and laugh a little. So many memories, boy we had good times. We were poor, but HAPPY. We were friends, that was the best part of our lives. Your daughters are beautiful, you were a mom of three, I would've never expected that. You obviously did a wonderful job and were a terrific mother. I only wish I could have shared that part of your life. But no regrets. God plan is our plan. Fly high my friend, until we meet again. Love you too my friend. My maid of honor ❤️🌲 . Marie McBride*
