

## Arthur G. Milnes

July 30, 1922 - March 11, 2017

Arthur George Milnes was born July 30, 1922 and died March 11, 2017, at his home of 43 years in Squirrel Hill. He was the only child of George Milnes and Marion Teasdale Milnes of Bristol, England. Dr. Milnes came to the United States in 1955 as Buhl Professor of Electrical Engineering at Carnegie Mellon University. Known for his work in the field of semiconductor research he was also a board member of Sensormatic Electronics Corporation for 29 years. He held several patents and was author of five books. He was happily married for 59 years to Mary LaVerne Wertz Milnes who pre-deceased him in 2015. He is survived by three children Sheila, Brian and John. He was an outstanding mentor, researcher and father. He was adored by his wife and children. His cremation is being handled by the D'Alessandro Funeral Home and Crematory Ltd.. The funeral will be private and there will be no viewing.
