*Nate and family,  
We feel so bad that we just saw this. Art was our salesman for our many years at Dry Cleaning. Always a pleasure to share time with him when he came to our place of businesses. He always remembered to bring Deb some tootsie rolls. A very nice man. We had him over for dinner to our house about 5 years ago. What a dear man he was. We think of him from time to time. We were blessed to have known him.*
