

Barbara A. Lee

June 9, 1941 - February 17, 2023

Barbara Lee truly lived her best life. She departed peacefully on February 17th, 2023. She could frequently be found enjoying a cocktail, traveling and sharing stories with family and friends. She will be remembered fondly and missed deeply. She leaves behind her son Scott, her grandchildren Coco, Sean, and Kenny, and her cats alongside many friends and loved ones.

Remember that you have one beautiful, brief, painful, brilliant, colorful, extraordinary, and impossibly short life—Barbie sure as hell did.
