

Bevin T. Healey

March 11, 1980 - April 22, 2019

Bevin Tallon Healey

Age 39, of Squirrel Hill on April 22, 2019. Bevin enjoyed a full life and her smile could light up a room. She attended the Pittsburgh Public Schools in the 80's and 90's and especially enjoyed her classes at Reizenstein Middle School and Alderdice High School. The support of the district and building administrators, teachers and fellow students made her full participation in her neighborhood schools possible. Bevin's delight in her day to day school experiences solidified their belief in the benefits of all students with and without disabilities learning together. Following her high school graduation, she attended Duquesne University for 4 years. Throughout her school career, Bevin loved being in the mix of all the students and made many good and lasting friendships. She absolutely loved action movies and summer festivals with live music. Bevin was a catalyst for changing how Pittsburgh, and folks beyond the city think about inclusion within classrooms and communities. Her delight as an active member of her schools and community influenced the thinking of those who came to know her and as a result created possibilities for so many Pittsburgh Public School children to follow and beyond. Her life embodied the belief that all are welcome here. Bevin is survived by her parents Michael and Liz Healey, her brother Sean Healey and his wife Heather and their 3 children, Ian, Eric and Maya; by her aunt Jane Bulette her husband John and uncles Joe Healey and wife Michele, and Jim Healey; by cousins Jonathan Bulette and wife Gillian and their son Rex, Emilie Bulette,

Sarah Healey Lassiter and husband Travis, and Joey Healey wife Kasie; and by many nurses over the years who became a part of our family, especially Larry Curran, Debbie Gendron and Sarah Russell. Many thanks to Dr. Basil Zitelli and Vickie Vandergrift, RN, and Dr. Jonathan Weinkle.

A Celebration of Bevin's Life will be held Saturday, June 1 at 2 PM at the Frick Environmental Center, 2005 Beechwood Blvd, Pittsburgh, PA 15217.

Donations to honor Bevin's life in her community may be made to United Way of Southwestern PA's 21 and Able Program at P.O. Box 735, Pittsburgh, PA 15230-073

“ *Although I didn't know Bevin personally, I am one of the many people impacted by Bevin. As an educator, I am grateful for all that she and her loving family taught us. The ability to inspire has been one of her many gifts. My deepest sympathies to her family and all those close to her.... may your memories bring you joy and peace.*

“ *I was one of Bevin's nurses in the RCU when she was very young. So beautiful to read how amazing she was and how she had such an impact on so many in her life.*
