“ To the love of my life. You were and will always be my heart. Our home is so empty and cold without you, Brian. All I have now are the memories we made together. They are enough to last a lifetime. I am wearing your clothes and sleeping with your pillow for comfort. I spray your Cologne on everything because I miss your smell. You are at rest now my dear Brian. And, God has welcomed you home. You was the love of my life. And, until we meet again. You will forever stay in my heart thoughts and prayers. Love always, your Dana 💕

“ To my big brother,  
I will miss you more than words can say, I keep thinking back when we were little playing tackle football in the living room and how you would laugh every time I got hurt!  
Also many memories of our childhood and as adults. I wish now that I could have spent more time with you and have showed you the love you deserved from a brother. The way you have touched the lives of your nephews is amazing, they loved you and will never ever forget you!  
I also will never forget you! To the memories that will live on and how I will always remember my big brother whom was a giving , kind hearted Man. I will miss the phone calls of you asking to stay over my house on the weekends.  
Until we are together again , I love you and will miss you!  
Sincerely,  
Your Brother Mark

“ I am so sorry to hear of Brian's passing. Looking back, there are so many good memories of Christmas, Kennywood, and picnics that I will never forget. May you rest in peace Brian, and please say hello to my mom, dad, Cookie, and Vince for me. On behalf of Mickey, Katie, Carrie, and me, we offer our sincerest sympathies to Karen, Mike, and the entire extended Billings family.

“ *By losing Cousin Brian I lost another part of myself. With the rest of the family he brought a lot of love and joy into my life growing up. When I look back on all the good times I will always see him with us. It gives me peace of mind though knowing that he's not only reunited with Cookie, the old man, Uncle Jimmy, and others dear to his heart, but that we'll all come together again one day as we did then.*
