“ Uncle Carmen, You are loved and you will be missed. You are an inspiration for all you endured and the challenges you overcame in this world. Thank you for teaching me how to read a room and communicate without words. A favorite memory is when we learned how to say the most important thing you need to know in sign language . I Love you ❤️ Save me a seat across the table and make sure to give loves and hugs and kisses to everyone in heaven. Your devoted niece Jaimie Marie.
