Catherine M. Faloon

January 9, 1952 - December 26, 2025

Age 73, of Pittsburgh, PA, passed away on Friday, December 26, 2025. She was a resident of the Beechview neighborhood, but was proudly born and raised in Lawrenceville. She was the daughter of the late Dolores (Kaduck) and Hugh Faloon, Sr. She was preceded in death by sister Christina (the late Edward) McMinn. Cathy is survived by her brothers, Robert (Carole) Faloon, Hugh (Kim) Faloon, Jr., and Daniel (Dolores) Faloon as well as numerous nieces and nephews. Additionally, Cathy who was affectionately named "Aunt Sis" by her beloved family, is survived by many "great" and even "great-great" nieces and nephews whom she adored. She is also survived by close friend and companion Blase Zitelli. She will also be missed by numerous relatives, friends, neighbors and colleagues.

Cathy had a strong work ethic which was demonstrated by her nearly 50 year career as an employee for the Allegheny County Courts. She was proud of her Irish heritage and a highlight of her year was marching in the annual Pittsburgh Saint Patrick's Day Parade.

Aunt Sis loved the holidays as well as gifting presents to her loved ones throughout the year. She especially loved to see the joy and excitement on the

faces of the children in her life. She was always willing to lend support to those in need. She had a love for travel and took many memorable trips throughout the years. She loved dogs and spent much time providing care and support by dog-sitting regularly. Aunt Sis was one of a kind and will be missed dearly by those who knew and loved her.

"May the road rise up to meet you. May the wind be always at your back. May the sun shine warm upon your face; the rains fall soft upon your fields and until we meet again, may God hold you in the palm of His hand."

Her services will be private.

“ I worked night shift with her, and those hours can feel long...but she made them easier. We talked during the shift and those conversations meant more than she probably realized. I genuinely enjoyed working with her, and she was someone who made the night feel less heavy just by being there. I'm grateful for the time we worked together, and I'll always remember her kindness and presence during those shifts. My thoughts are with her family and friends during this time.
