

Charles L. McKown

October 13, 1954 - August 11, 2022

Charles Lee "Chick"
McKown

On August 11, 2022, Chick went home. He was 67 years old. He was reunited with family members and friends who came to welcome him. Chick was born in Pittsburgh and grew up in Shadyside. He graduated from Peabody High School in 1972. He attended Penn State University. He was a kind and gentle man. He never let any life adversity hold him back. He faced every challenge with a smile and an unwavering determination to live life to the fullest. He loved well, and was well loved by many. Being in his company, offered us a little glimpse of heaven. The light in his eyes will continue to shine over us. Godspeed my honey!

He is the beloved husband of Joanne (Kubit) McKown; the loving brother of Shari (Richard) Harkins. Believing faithfully that you take the love with you, he will gently embrace his nieces and nephews Lindsay, Erik and Brynlee Brown, Ariel, Braden and Julie Kubit, Misse and Cisco Marin. He will remain at the side of family and friends.

He was preceded in death by his parents, Francis and Jean McKown. He will be overwhelmingly missed by all who loved him.

Please join us in a Celebration of Life on Saturday September 24th at the SOI (Sons of Italy), 338 S Main St., Butler PA. We will begin at 1:00 pm.

“ *Joanne, I wish Gene and I had the honor of knowing Charles, but we know you and know how much you both were there for each other. You were there through so much in the beginning of his hospital stay by his side till the end. God knew when He brought you two together it really was a marriage made in heaven. I hope I can be an amazing woman like you, when my strength is tested. God Bless you and your family and continued prayers and love.*
