“ *Our deepest condolences go out to the entire family and all friends of Danny. Danny was a hands-down favorite cousin. My partner in crime at every family wedding from when I was a kid. He could always be found at the bar making everyone laugh or on the dance floor. Danny will never be forgotten not only as a great man but especially as a family man. I am so glad I got to see you one last time here on Earth at Uncle Bill's funeral. You will be loved forever. We know you are up there with Him and all of our beloved family members who have gone before us. God bless you always; until we meet again. Love, cousins Evan, Chris, Lauren & Sloan Weible xo*

“ *Prayers to the Malloy family on Dan's passing. I worked with Dan for the last 10 years and every time I spoke with him he was so genuine and took an interest in how I was. Rest easy 'Dan the painter', you will be missed!*
