“ Dear Sharyn, Joe, Leigh, and Stein family,

Our deep condolences and sympathy to you and whole New Light congregation.

For the last several years, I've sat right being Dan at high holiday services. A mere month ago we wished each other shana tova and shook hands at the conclusion of the Yom Kippur service. I didn't know him well, but well enough to know that he was a kind, welcoming, humorous, full of life man. He will be deeply missed.

*With love,

Sharyn and family. My name is Ed Zwick. Danny was my second cousin. His Grandma Bessie and my grandfather Sam were brother and sister. When we young we visited Pittsburgh almost every year. We have home movies of our family's holidays together. Danny and Ruthie were both quite young at the time. We know that Danny was named after his uncle, a hero of the Second World War. Today, Danny is a hero for entire world to admire. We will be in contact with you soon. Our hearts and prayers are with you and the Stein family. Please give Ruthie a big hug from me. I last met her and Ernie in Boca at Cousin Eata's condo.
