“ *Mr. Clark was one of my favorite teachers at Allderdice. I went from 91-95. I was in his home room and took a couple art and ceramics classes with him. He even signed my yearbook and defended for me when another teacher said I was being disrespectful and I wasn't. I missed him during graduation I think he took a sabbatical at the end of that year. My deepest condolences and prayers to his family & loved ones.*
