“ *David Marks was a good man. Thermal saved my life one day 34 years ago when I was being stabbed repeatedly. David was also stabbed in the hand throwing off my attacker. If it was not for Thermal, I would not be here today and lived the fortunate life that I have enjoyed over the years. My condolences to his family and friends. May he rest in peace and may your hearts be comforted.*

John 15: “Greater love hath no man than this, that a man lay down his life for his friends.”

Thessalonians, 1,4: “But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope... Wherefore comfort one another with these words.”
