“ DJ / Curly was my good friend for many years. He was one of the best people I've ever met. It's a sad day when such a bright soul passed away so early. But as they say, the brightest lights burn the fastest. In his memory I wish him to be know as one of the most beautiful souls Ive ever been privileged enough to have met. And I know for a fact he is in a good place. I wish the best for his family and for their grief. Just know you will see this amazing man again. And he will be watching over us for the times to come. Best of wishes old friend. And until we meet again. Much love. Love as always.

“ I grew up with DJ, and known him since childhood. We grew apart but our friendship and kindness to one another continued when we would cross paths. Hearing the news broke my heart, and DJ forever be a core human being in my life and my make up as a kid. Hearing the bird go crazy when I walked in and Bill and Bon to greet me will never be forgotten. Sending all my love, and thinking of you buddy.
