“ *Denise and I worked together at the Pennsylvania Human Relations Commission along time ago. We were good friends, I remember when she married Howard, when Dena and Shayna came to her and Howard. She gave me almost all of my maternity clothes when I was pregnant with my first. She was very generous and always showed how much she cared for her friends and family. She had a contagious smile, a joyful laugh and shared her deepest thoughts. She was fun to be with, I admired her self-knowledge and focus on what was truly important. I would have loved to see her again and am sad she is gone .*
