“ Eleanor was my internship supervisor, decades ago. We reconnected at a training several years back and thereafter, our shared appreciation for movies, good food (especially desserts) and of Highland Park resulted in many enjoyable "rendezvous" as we came to refer to them, and a kinship formed with Eleanor and John. I also recall her devotion to vegetarianism, her affinity for ballroom dance and her book club. She was a very astute woman, with a keen wit, who will be remembered always and deeply missed.
