“ Jean and family

*You know I spent so much time with "my ace."
Lpn school was a memorable one with my
girl.*

*She truly introduced me to Northside answer were very close.
I was recently looking at pictures of our " hey day..." sharing our
innermost thoughts and feelings.*

*As time went on we lost touch and so often as people do, we settle
into our on lives.*

*I had no idea until two days ago she was in eternal sleep. I miss her
already.*

She will forever be in my heart and memory.

I am unable to attend as I will be out of town.

*Please give Lily an obituary for me as. I do see her sometimes on
Saturdays.*

Know my prayers and condolences go out to you and the family.

Know that she is at peace and resting in His arms.

Sincerely

Doll
