Shout out to her treasured friends – Laverne, Auntie Ellen, Beryl, Donna and Suad – she loved them dearly. She was fortunate in life and had a job she absolutely loved. As the Coordinator of the Cardiology Fellowship, her AGH friends would touch her life for many years. The doctors kept in touch and loved her – she was their Den Mom and Mother Hen. For the times she needed help – her cherished friend, Debbie, was her support and strength to the end – she held her hand, sang songs and they enjoyed the 23rd Psalm together. Mutti loved Disney, Sewickley, Talbots, Target, Paul Beining's Hair Salon (5 stars), ALL DOGS – including the grand dogs – Belle, Blue and Oreo, driving her Hondas,

birthdays-holidays-anything with family! Donations to any of her favorite charities would be greatly appreciated: Animal Friends, Salvation Army, The Shriners, Good Samaritan Hospice and St. Jude.
