Frances Kennedy Medvan

May 11, 1935 - April 22, 2026

Fran was a woman of sharp wit, immense heart, and unbreakable spirit. She passed away leaving behind a legacy of love and laughter. Born in Pittsburgh on May 11, 1935, Fran was a "tough lady" who balanced a sassy personality with a genuine heart of gold.

Fran was preceded in death by her beloved husband, Joe of 42 years, with whom she built a beautiful life in Tarrs, PA. Together, they turned their house into a true home, characterized by meticulously kept gardens and the joyful chaos of the many Boxer puppies they raised over the years. While Fran was known for her strength, she was equally defined by her care for others.

Throughout her life, she looked after family members and children, but her "little neighbor girls" held a special place in her heart; they truly were the light of her life. She was a member of Visitation of the Blessed Virgin Mary Roman Catholic Church, Mt. Pleasant.

Fran found joy in the simple (like ice cream) and the exciting alike. Some of her favorite memories included: Countless trips to the Jersey Shore, lively day trips to the casino with Joe, tending to her flowers and enjoying the community she helped foster. "She was a woman who knew her mind, loved her people fiercely, and left every place a bit brighter (and more organized) than she

found it." Fran will be deeply missed by her friends and family, but we rejoice knowing that she is now at peace and reunited with her beloved Joe walking in the most beautiful garden she has ever seen. Services will remain private.
