“ I was one of Gabe's nurses more many years. He stole my heart from the day I met him. As a toddler, I loved rocking and singing to him when he was little. Always smiling, even if he didn't feel well. Laughed at me often in the mornings as I'd get him ready for school. Truly a sweet soul! His parents loved him fiercely. They gave him the best life he could have possibly had! I would like to think of him now with no restrictions, dancing and singing, and laughing watching over all of us ❤️

“ The sweetest soul I've ever known! I have fond memories of doing his respiratory treatments (In the COVID days, we had to go to the treatment room) and I would play music to entertain us. Gabe's favorite was Classic Rock! I considered him my music buddy, and this was something that I looked forward to. He also made me laugh when he would listen to our adult conversations and crack up at what we were saying! You taught me not to take life so seriously! I love you and will miss you music buddy.

“ I was Gabe’s nurse at Child’s Way for the last year. He was a joy to care for and his smile lit up the room. He would always smile so big when I caught him doing something mischievous like trying to take his oxygen tubing out of his nose. He laughed and smiled when the other children around him were doing so and when we talked to him in silly voices. He will never be forgotten and we miss him so much.

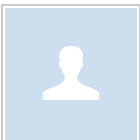

Love,
Alex

“ Gabe....my Punkin, my buddy, my hero ❤️ I have so many memories...you laughing hysterically at me putting your oxygen on, you and I swimming in tiny circles in the pool on vacation, us playing with your toys, and you putting up with my singing...and on and on. We were so very blessed to have you in our family...no one will ever imagine how much I love you and how very much I miss you.....❤️

“ I was a monitor on Gabe’s bus. It was my job to make sure the wheel chairs were secure and the children were comfortable. I’m into exercise and there was a seven step that I did. We sang it as we stepped very fast. The first time I brought Gabe on the bus. I locked his chair and loudly sang..1 2. 3. 4. 5. 6. 7.  I’m Italian, so I’m loud and as I did this as I buckled this seven buckles. He burst out laughing. So he thought I was goofie. So. The world does not matter to me, I’m me!! Daily. 2 X a day I did this dance..just stomping feet, and he giggled. He was a thrill. Be with God Gabe. My love and prayers go with you.

“ I never had the pleasure to meet Gabe in person but I always hear stories of his infectious laugh and always saw beautiful pictures of his amazing smile from his loving Auntie Ros. She was so proud of Gabe being a part of her life and he helped to keep her positive given everything he had to go through with all his trips to Children’s Hospital. I loved to share the love of PITT football and I always saw his pictures at the game all decked out in his PITT gear. H2P!  
  . Hope your parents and the rest of your family know that they are in my thoughts and prayers during this difficult time. Gabe you will be truly missed.

“ My last memory of Gabe is visiting him in the hospital in July and Robb saying , “oh you’re laughing for Aunt Brooke and not me.” That giggle and smile will be dearly missed. You were loved by so many. I hope you’re dancing in the sky. Love, Aunt Brooke

“ Gabe was loved by everyone who knew him. What a pure and amazing accomplishment! He had the best sense of humor and a million dollar smile. I’ll never forget our communication lessons of listening to DMB, comedy stand up videos (even the ones with a few swear words that I’d let you listen to since you promised not to confirm that I did), spooky Halloween things, and competitive games. You and your friends helped me stay positive during some of the darkest times of Covid- you were ones of the brightest lights! I can’t thank you enough for that Gabe. I’ll miss you always, my student and friend.

“ *What a wonderful, brilliant smile he had. Besides his smile, the best laugh. His mom, always made sure he was dressed for every holiday. What a snappy dresser. He was a true fighter. He will forever remain in our hearts* ❤️

“ *I have so many memories I couldn't pick just one, but I can say this, Gabe made our family better, and happier, and he never had to say a word. His spirit spoke for him. He was a beautiful, positive person and I'm going to miss him like crazy. " Love you Chappie"*
