

## Gary John Moore

July 6, 1958 - June 8, 2023

Gary J. Moore (64)

Of Swissvale, PA, passed away, on June 8th, 2023. Father of Heather Moore; grandfather of Madelyn Busi and brother of Dwaine Moore. Also, survived by a niece, nephew and many loving cousins.

Gary always put God and his family first. He enjoyed nothing more than a cold Coors Light on a warm summer night while talking about his latest antique find. Throughout his journey with cancer, he continued to crack jokes with his daughter, make pipe cleaner caterpillars with his granddaughter, and always kept his nurses laughing. He had a great ability to make others smile and his sense of humor will be tremendously missed.

Friends and family are invited to celebrate Gary's life, exactly as he requested, on Sunday, July 2nd, from 2-8 pm at Ryan Hacke West Mifflin Community Park (pavilion # 2).

“ Gary was an amazing cousin. We only have a few memories of us as young children but when we were teenagers, we remember visiting at his family's home and he was always fun and never seemed to mind spending time with his younger cousins. He was always kind and willing to help. When our Dad passed, he was there for us. We couldn't have gotten through that time without him. Most recently, Susan and I visited with him, Heather and Maddie when he was in hospice. We looked through old family pictures and reminisced about our childhood. Susan and I are both grateful for the time we had with him. He was so proud of Heather and Maddie and grateful for being able to spend his last days on earth with them. We love you Gary!

“ Since I first met Gary in 1978, he remained a quiet, steady rock throughout his life, always helpful, always kind and considerate, always a good friend. We shared some crazy times in the early days of our friendship, but two events were the pinnacles of Gary's life: the arrival of his baby girl, Heather Lynn, and the subsequent arrival of Heather's baby girl, Madelyn Grace. I know that Gary will continue watching over "his girls." Rest in peace, Gar, you've earned it. ❤️
