“ *As a young child I remember all the Saturday nights George and Lil would come over and play cards with my parents. We would write how cold it was on the boards they used to keep the cards in. Also the only person who would ring our door bell. So very very sorry to hear of his passing. Lil and the whole Bevington clan you have my deepest sympathy!*

With love

“ George was a wonderful person. I was a nurse in Dr Pallone office and looked forward to him and Lillian coming into the office. I still have the wooden star shaped snowman he made for me. May God comfort you in your sorrow of losing such a wonderful man

“ My deepest sympathy to the Bevington family. I remember visiting George & Lillian when I was a young girl and Uncle Walter, Aunt Helen and my Grandmother would visit George's parents on their farm. May God be with you, rest in peace.
