“ *There are no words that truly feel big enough for a loss like this, but we write with full hearts to honor Jerry and the impact he had on all of us.*

On behalf of the Taylor Allderdice High School Class of 2002, we extend our deepest love and condolences to Jerry's family. He was more than a classmate he was a presence you felt. Jerry brought laughter, energy, and a genuine warmth that made people feel seen, welcomed, and valued. Those are the kinds of qualities that never fade.

We remember the pride he carried on the football field, his focus and drive in the pre-engineering program, and the way he showed up in life with strength and authenticity. That same determination carried him forward through his education, his work as an electrician, and his honorable service in the U.S. Navy. He lived with purpose.

But what stands above all else is the love he had for his daughters Tessa, Luisa, and Sofia. They were his heart, his joy, and his greatest legacy. The way he loved them is something that will live on forever.

To his parents, siblings, and all who loved him please know that you are not alone in your grief. Jerry's life touched so many of us, and his memory is deeply woven into our lives. We carry him with us in our stories, our laughter, and the bond we will always share.

Jerry will never be forgotten. His spirit, his love, and his presence will live on in all of us.

With deepest sympathy, love, and prayers,

Taylor Allderdice High School Class of 2002

A blue candle in memory of Jerry who loved the sea and always looked great in blue. May he forever live on in our memories. To his family, I am so sorry for your loss. I cannot even express in words how you must feel. I can only imagine as I am so very heartbroken at his unexpected passing and I only knew him for a very short time. May God comfort and provide peace to you all during this difficult time.
