Gloria, this angel rests on my dresser and has since you gave to me 6 years ago. I will never forget your friendship and this beautiful statue. The beauty of this angel and message sums up the person that you were both on earth and now an angel in heaven. I am "counting my blessings" that you were my friend and that God is rewarding you in heaven for your love and generosity to so many. Thank you for reminding me daily of what is important - Faith, Family and Friends!
