“ *I am so sorry to hear of Greta's passing. I can still hear her laugh. She was not only a friend of my parents but a friend of mine. We worked together at The Limited and those are memories I will never forget. My deepest condolences to Marcia, Paul and Ellen and your families. May the many great memories you have of your wonderful mom get you through this difficult time. Now she is back together with your dad.*

“ When we moved into our neighborhood 32 years ago, one of the first homes to welcome us was Greta and Victor Katz. Just truly lovely individuals that provided us with a real welcome. They were the center of our neighborhood and we have been blessed to have known them and their wonderful family. They were always so kind and always made a fuss over the children of the neighborhood. Greta will truly be missed, but i am sure she is now united with her wonderful husband Victor. May God Bless this wonderful family and the memory of Greta.

“ *Grandma and Grandpa: I am sitting here thinking of all of the good memories and special times we shared and all the laughs we had. My heart is broken but our bond was real and it was one of a kind and it will never be broken. It hurts me greatly that I was not able to spend more time with you but I know that you were loved by everyone near and far including Bob and I. We will always treasure the good times and the memories I have and will always miss you as you were truly my best friend. Thank you for teaching me what unconditional love is really about.*

PS

Greta was like a sister to me, we laughed about our past, and only had happy times together. How could you not love Greta, who only had positive words for everyone in her life. She was special!!! Greta, you will always be in my heart, forever!!!
