“ Aunt Honey was such a special person. I remember visiting her when I was a child. She was so kind and joyful and fun. Sending love to all who hold her in their memories.

“ *"Aunt Honey", (as I will always refer to her) was impossible to not fall in love with. She made me feel so welcome from the moment I met her and never failed to have a smile on her face and a kind word. I remember being concerned that she would have a hard time getting into our Jeep when we first got it. The joke was on me as she jumped up into that seat far better than we were ever able to. She made this world a better place and will be dearly missed, but I know she is reunited with her family that went before her.*
