“ I just learned of Irene's passing and deeply saddened. Although knowing her since 1971, I have not been in her life in these past years but never forgot her. She has been on my mind for the past two weeks, so tonight I finally looked her up. I was shocked to find her obituary. I'll always remember her for her artistic skills and urged her to pursue that as a career. Irene was tall, elegant and gifted. She could have surely been a courtroom artist. My condolences to Emil, Irene and the Leas children at this time of grief. God Bless you.
