

Jacqueline Ejzak

November 14, 1935 - August 14, 2022

Jacqueline A. Ejzak

Age 86, of McCandless on August 14, 2022. Wife of William A. (deceased), devoted mother of William M., Richard, Leslie (deceased) and Paul; adoring grandmother of Michael Maloney, Thomas, William, Benjamin, Elizabeth, John, Caroline, Lara, Paul, and Charlie Ejzak. "Gum" - a nickname bestowed by her grandchildren - loved her family dearly and was always willing to help them in every way she could. Her greatest joy was preparing a sumptuous meal for the family to enjoy, and dinner was a daily celebration with lively conversation that stretched late into the evening. When she was not trying a new recipe from the Food Network, she was planning her next overseas trip with her sister, Joyce Taylor, her best friend and travel partner, with whom she also enjoyed many CLO performances. Gum was a compassionate listener, and everyone - even those who only knew her for a short while - felt comfortable confiding in her. Gum's deep love, sharp mind, sparkling wit, and delicious cooking will be missed. At her request, there will be no viewing or service. The family celebrated her life by gathering for one last meal in her honor and sharing fond memories until the wee hours of the night.
