“ We shared many cups of coffee and stories with Jim in the 90’s when we were neighbors in Greendale. Jim was always helpful and we shared many celebrations with Jim and his family. We would like to express our deepest sympathies to Patty, Stephanie, James and their families. It has been a long time but we have fond memories of all of you.

“ Dear Patty, dear Family,
Please accept our deepest condolences at this difficult time.
We had the honor of knowing Jim during our various trips to the USA, especially to Fort Myers Beach, Florida.
We had a wonderful time with him and Patty. Jim was a cheerful man who spoke passionately about the subjects that touched him.
We had so many good times by the pool, with a beer in hand, going back and forth between the US and Europe. And what can we say about the pasta prepared by Jim, which had nothing to envy to the one we eat in Italy.
Jim, thank you for having allowed us to know you, thank you for having spoken to us about your country with so much passion, thank you for your friendship. Jim, may you rest in peace.
Sincerely,
Conchi and Jose
