“ *To Tracy and family even though the service was yesterday I woke up with you on my mind. I said a prayer for you and the family.. My pain is your pain. Tracy your are a beautiful sister and I admire your strength during this difficult time. I know we just met at his service and spoke briefly on the phone. I see why Dale chose you to be his wife. Thank you for allowing me to be apart of his service . He will forever have a sacred place in my heart. His godchildren children and I were blessed to have him in our lives. I will keep you in prayer and keep in touch. I know he would expect this from me.
Much love LaRay and family*

“ My sincere condolences & prayers go out to Dale's entire family. He will remain in my families hearts forever as he was considered one of my brothers... A year ago last January Dale was right beside me the whole time as I grieved my brother Joe. He & Joe Stallworth are certainly back together again now. Rest Easy both of you until we meet again.
