“ Jim was a gentlemen and friend to many. His guidance and love of his staff and communities will continue in the many lives which are better for having known him. I started working with him in 1991 in Morgantown and we maintained contact through the years long after my 1993 graduation. Peace and blessings, Jimmy. Your smile and laughter were the light of many days. 🕊️💜☩️

“ Jimmy was kind, genuinely sincere, and well loved by many. He was a true athlete beating many of us at golf, pool, racquet ball as well as poker. We will miss the fun times, his sense of humor and that great laugh. Rest in Peace Jimmy!

“ *Jim always had an innocent smile on his. Including when he would take my money at poker. He was a card shark. At least I was smart enough to try and play pool against him. He will be missed.*
