“ Salt was a like a brother to me. He was always there when I called. He would pick up my son's from the Day Care for me. I had no worries, I knew they were in Caring hands. I'm glad I got a chance to see him before God laid him to rest. I'm praying we will again in Heaven. Rest old soldier your work here on earth is done. 🙏🥰

To all of James 'Jimmy Salt' Stallwoth's surviving family you have our prayers,our condolences and our love.. I can easily say that Salt epitomizes the spirit of Elmore Sq., that close knit community where so many were family,friends and even life long friends that grew up together to become extended family. One of the things I'll never forget is that Salt had a grown man's work ethic even as a young teen he always had at least one job and was a hard worker! We all have the same destination at the end, I just know he left a lot of great memories for us all, May God bless you!
