“ My son. I can still picture you in your bassinet, just after you were born. The first thing I noticed was your dimples just like my own. We had some rough times, but I always loved you and fought for you. You were always my hero and I will always love you. I am SO PROUD that you you made the choice to give the gift of life to others. I will miss you and love you forever. ~ Mom

My prayers go out to Melanie, Kyle, And Laura. Jared will be so missed, but he will live on through the countless lives he helped and saved by his selfless donation of organs. You were remarkable young man even to the end.

Melanie, Kyle, Laura, Chelsey, Brittney and all family and friends, it is my biggest prayer that God wraps His arms around you and gives you a peace that passes all understanding through this time that makes absolutely no sense. Jared, I will forever remember your infectious smile and witty sense of humor, along with a heart that loved so deep and passionately that it continued to give even after you were gone. Your memory will live on through all of the lives that you touched. We love you!
