“ Jenny and I were elementary friends and reconnected a few years ago on Facebook. I'm so sad to hear this news. She was a lovely and kind person. The family is in my thoughts and prayers during the difficult time.

“ I am so sorry to hear of Jennifer's passing. We were childhood friends and I have fond memories of her. We were born on the same day and had a similar sense of humor. I will remember laughs and sleepovers and her kind heart. My thoughts and prayers are with her family and friends.

“ We worked at The Spot and you needed a babysitter. I babysat for you that night and when you came home and Sara was asleep in her crib you were shocked. You were an amazing person who was taken far too soon. You will always be missed and never forgotten.

“ Jennifer, I remember after my oldest son was born, in June, after you born, we came over for what they call nowadays a "playdate". Your mom and I are BFFs! ❤️ You were truly taken from us way too soon but apparently God has other plans! ☩ Rest in peace Baby Girl!
