

## Jessica Ann Wiles

November 18, 1993 - April 9, 2023

Jessica Ann Wiles

Age 29, of Shaler Township, formerly of Lawrenceville, passed unexpectedly after a brief illness; peacefully at home on Easter Sunday, April 9, 2023.

Daughter of Robert J. and the late Linda A. (Wagner) Wiles; loving little sister of Jennifer Wiles; precious granddaughter of Catherine (Puszakowski ) Wiles and the late Robert D. Wiles: loving aunt of Tajion Cope, special cousin and like a Mom to Lyndsay Wiles. Survived by Aunts and Uncles and Cousins and many, many dear friends.

Jessica, Jessie, Ms. Jess grew up in Lawrenceville, attending Woolslair Elementary, Arsenal Middle School and Graduating from Career Connections Charter High School. She was diligently working on the completion of her Early Childhood Education degree from Carlow University, set to graduate in the near future. Jessie was a natural born caregiver from early on in life. Turning that into her career, she worked at CYA- Catholic Youth Association childcare and cherished her time with every each and every child. She always talked about her dream to open her own childcare facility someday. Jessie treated everyone with a kind heart and touched them with her sweet spirit, always willing to do whatever she could to help at work and at home. She put others first before herself countless times, always wanting to do for others in

any way she could. She was known to her family and friends as the most caring and dependable person, especially being devoted to her Grandma-Cath, her Sister Jenn, her Nephew Taijon and her cherished Cousin Lyndsay. She took pride in each of their achievements and was with them every step of the way. Jessie loved spending time with her dog Diamond, shopping and going to visit family at the beach in Delaware every summer.

Words cannot express the degree of how much she will be missed. She will forever be young, forever have a smile on her face, forever be hopeful about tomorrow and always a guardian angel to all who were blessed to know her.

*Ms Jess was like family to my daughter. When she moved up to new rooms, she'd ask to see Ms Jess at the end of a hard day for a hug. She gave the best hugs. She was such a special person and very loved.*
