“ We could not not have asked for a better next door neighbor. John was always so friendly and ready to help. I recall the day when I was having trouble getting a shrub out of the ground. John came over and together we got it out. I always enjoyed talking to him about history and aviation. He was a lot of fun and liked the little tomatoes my wife grows every year. We will certainly miss seeing him and the white Grinnell truck. Our deepest sympathy Eileen, Stacie, Michael and Justin. May John RIP.

“ Dear Eileen and Mozuch family,
I was saddened to hear of John's passing. Its comforting to know he was at home. John was my foreman and co-worker for several years. He was a friend and mentor. John was kind, funny, hard working. One of my favorite sprinklerfitters, with a contagious laugh. I'll always remember how he treated me with kindness, in an unkind world. Thanks Moe. And Eileen, I'm so sorry you've lost your person, your guy, your Moe. May he Rest In Peace. Love and sympathy, Sandy Connors, LU 542 retired

“ Moe was a good friend and co-worker. We served on numerous committees for the Sprinklerfitters Union and worked together on different job sites. Moe had a great sense of humor with a sly smile. He was knowledgeable, fun to be with and decisive on solving problems. He left his mark on our small world and will be missed. RIP John.
