“ *This is Johnnys nephew Keith. My uncle Johnny was like my father since mine passed away when I was a toddler. He was such a great influence in my life. I truly will miss him every day of my life. I have so many memories with him but every year we would watch the first hockey game of the year together. He taught us all about hockey because it was his passion and he shares his knowledge and love for the game with me and my brothers. Thank you uncle Johnny I pray you are at peace.*
