“ *My Pap was such an amazing man. Everywhere he went, he always made a friend and helped everyone he could. He enjoyed having coffee with his friends at McDonalds, grabbing a bite from Eat N Park, going to the library to find another book from his favorite author, helping at the church for many years and even going to the hardware store as he always had a project. He loved fishing and his pups he had by his side through the years. He loved his grandkids with all his heart as we all have so many memories with him that will stay near and dear to our hearts. He also had two other great grandchildren, Sean & Khloe & (late) Skylar Schuck which were of his grandchild's, (late) Shannon with Randy, her significant other. We all loved him dearly and will keep his memory close to our hearts forever.*

“ *I knew Jack from attending Bethany Baptist Church. He was a hard working man, a man who loved and cared for his family. For several years I worked in the cafeteria at Passavant Hospital and Jack would make the effort to stop by and say hello whenever he was there. Regardless of his own situation, he would always inquire: "How's the family?" Truly, he was a kind and thoughtful man. And his eyes would often well up when he would share the struggles your mother endured. He treasured her. All of you were so dear to him.*

*May the Lord comfort each of you*
