“ It took me time to post this. So forgive me. Once Hoe moved in to his house I had a horrible time in my life. After being friends and we've become more than that. He saw my struggles, my life being crazy. He never gave up on me and my family. We had a life planned but this wasn't one of them. I saw him struggling, being stressed out but he was Loved and Loved back by Family. H

“ Met Joe when we were both in high school and back when Lawrenceville was still a "rough" neighborhood - hanging out with Joe was the only reason to go to that part of town back in the late 80s and early 90s! Never saw him get angry in over 30 years of friendship. Was great reconnecting with him recently. He will be sorely missed. Rest in peace old friend.
