“ When I was a little girl my mom would take me all around the Garfield and East Liberty area. My favorite times were when it was pay day she would take me to McDonald's in east Liberty then we'd walk up penn ave. Into Garfield and she would take me to the 5/10 store and let me get 100 pieces of penny candy. I miss being that little girl on adventures with my mom 😭

“ no, matter how long it had been since she saw last, she would study you for awhile, and then she always had something kind to say to me or my mom and chaepin like, i like your hair or shirt, or whatever she always asked how you were doing, but my favorite part was her laugh, it was special kind of laugh, that to me could fill a whole room, that most people just dont have, and a nice light up smile, RIP COUSIN JOYCE
