“Joyce made the world a better place for those whose lives she touched on a daily basis. We wouldn't be able to count the number of individuals who she helped as a SCORE volunteer for 21 years, and as a colleague she always found ways to bring people together in a pleasant manner. Thank you, Joyce, for all you have done, and we will try to live up to the example that you set.

I knew I wanted Joyce in my life from the v first time I met her. She exuded love and good judgement consistently. She was v clear about her values so she seemed to move through good times and challenges with the same grace. It's a privilege to have known her. I will never forget her. ❤️
