“ *I've know Joy since Spring Garden school and through Allegheny High school. It was wonderful to get together again for lunch and Christmas dinners with others from our high school. Joy, you will be missed but your memory will be with all of us forever. Rest in peace in God's loving arms.*

“ *I only worked with Joy for a few years. She was hands down my favorite I.T. Pro ever and a lovely person. Joy loved to visit and tell us about her family. She is missed here on earth but will be celebrated up in Heaven. My life is better for knowing Joy.*

My mom (Inez) and I knew Joy way back when we worked at Thrift Drug with her. She was such a kind and gentle soul!!

“*Joy was my employee for 20 years. She was a trusted, excellent member of my team, completing every assignment skillfully. I deliberately avoided learning technology. My response was 'I don't need to know this, I have Joy.' She helped me succeed.*

Condolances to the family.
